Hi, my name's Jenny Jade and I'm from Manchester. At work my name is DJ Jade and I am a radio DJ at Manchester KM Music.

Every morning I have to get up really early at 4 am. I do some exercises while I listen to music and then I have a shower. Half an hour later I have breakfast – usually muesli, yoghurt and black coffee. At 4.45 am I drive to work and talk to my producer. My programme starts at 5.30 am. I always play the latest dance music – soul, rap, trip-hop and garage.

Most of my listeners are 14–22 years old. They phone every day and ask me questions about concerts and clubs. Sometimes I interview famous people like musicians, other DJs and sports personalities. I organize competitions and every day I give away T-shirts, CDs, DVDs and tickets for concerts. My show finishes

at 7.45 am but I stay at the radio station for two more hours to prepare my show for the next day.

At 10 am I usually go to my gym to do jazz dance and judo – I am a black belt. I then go home at midday and have something to eat – normally pasta, salad or some fish, and later I have a siesta. I get up again at 3.30 pm.

At 5 pm I go to a local school and coach the basketball team. Last year we won the City Cup. This year we are top of the league. I go home at 7.30 pm and have a light dinner. I then watch TV for an hour and go to bed around 9–10 pm.

At weekends, I like going to clubs with my friends and I love doing adventure sports sometimes like bungee jumping, rafting and climbing.

I really like my life.
